

	me to call Mr. Racinger 314-878-4857 and he may know of such block leaders. I called Mr Jeff Ricinger after calling city hall Public works. He states that " The best way is to reach the residents is to go through the Mayor. I asked if he was aware of any block leaders in the community and he reiterated that the best way for the community to receive information was to go through their local elected leaders. And the information will be trusted more from eh mayor then from any bit of information we can distribute.
